

SALES PERFORMANCE ANALYSIS & GROWTH STRATEG

By Ali Mostafa

14/4/2026

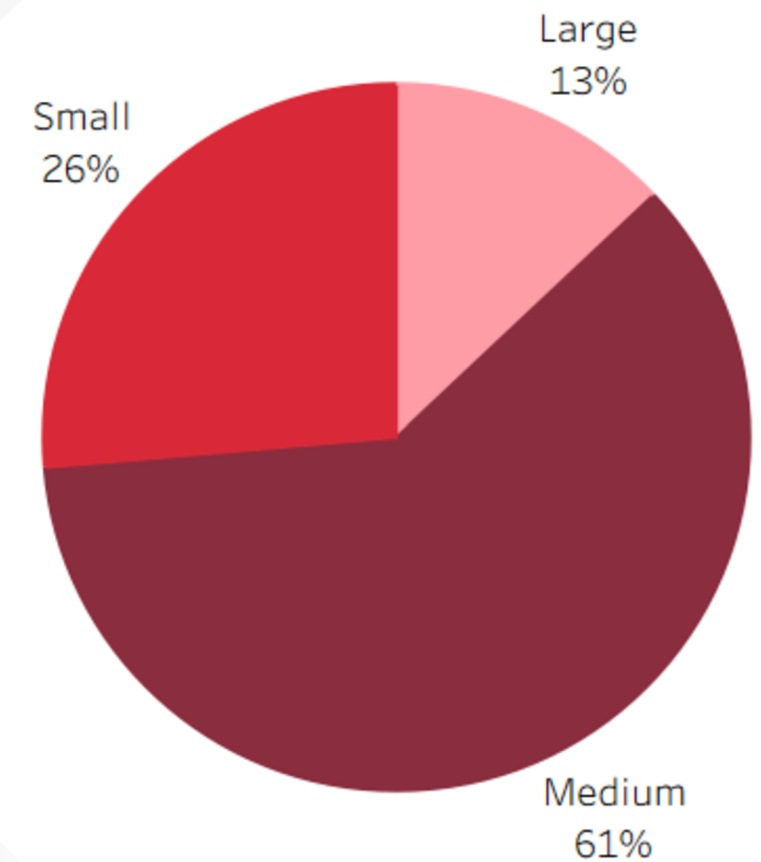

Overview

- Total Revenue: 10M+
- Average Order Value (AOV): 32,680
- Number of Orders: 2,800+

Summary: Revenue is concentrated among a limited number of high-value customers

Deal Size Analysis

- Medium deals contribute the highest share (~61%)
- Small deals have high volume but low value
- Large deals generate high value with low frequency

Insight: Medium deals provide the best balance between volume and value.

Top Customers

Australian collectors co
201K

Euro shopping channel
912K

Mini gifts distributors ltd
655K

 3 customers significantly exceed average spending

Insight: These high-value customers represent strong growth potential.

Key Insights

- Cars are the top-performing product category and generate the highest revenue
- The USA is the leading market in terms of total sales
- Sales peak in November, indicating strong seasonal demand
- Revenue is highly concentrated among a small number of high-value customers

Product Performance

- Cars generate the highest revenue among all product categories
- Other categories (Motorcycles, Boats, etc.) contribute less significantly

Productline	
Classic Cars	3,919,616
Vintage Cars	1,903,151
Motorcycles	1,166,388
Trucks and Buses	1,127,790
Planes	975,004
Ships	714,437
Trains	226,243

Insight: Cars are the primary revenue driver.

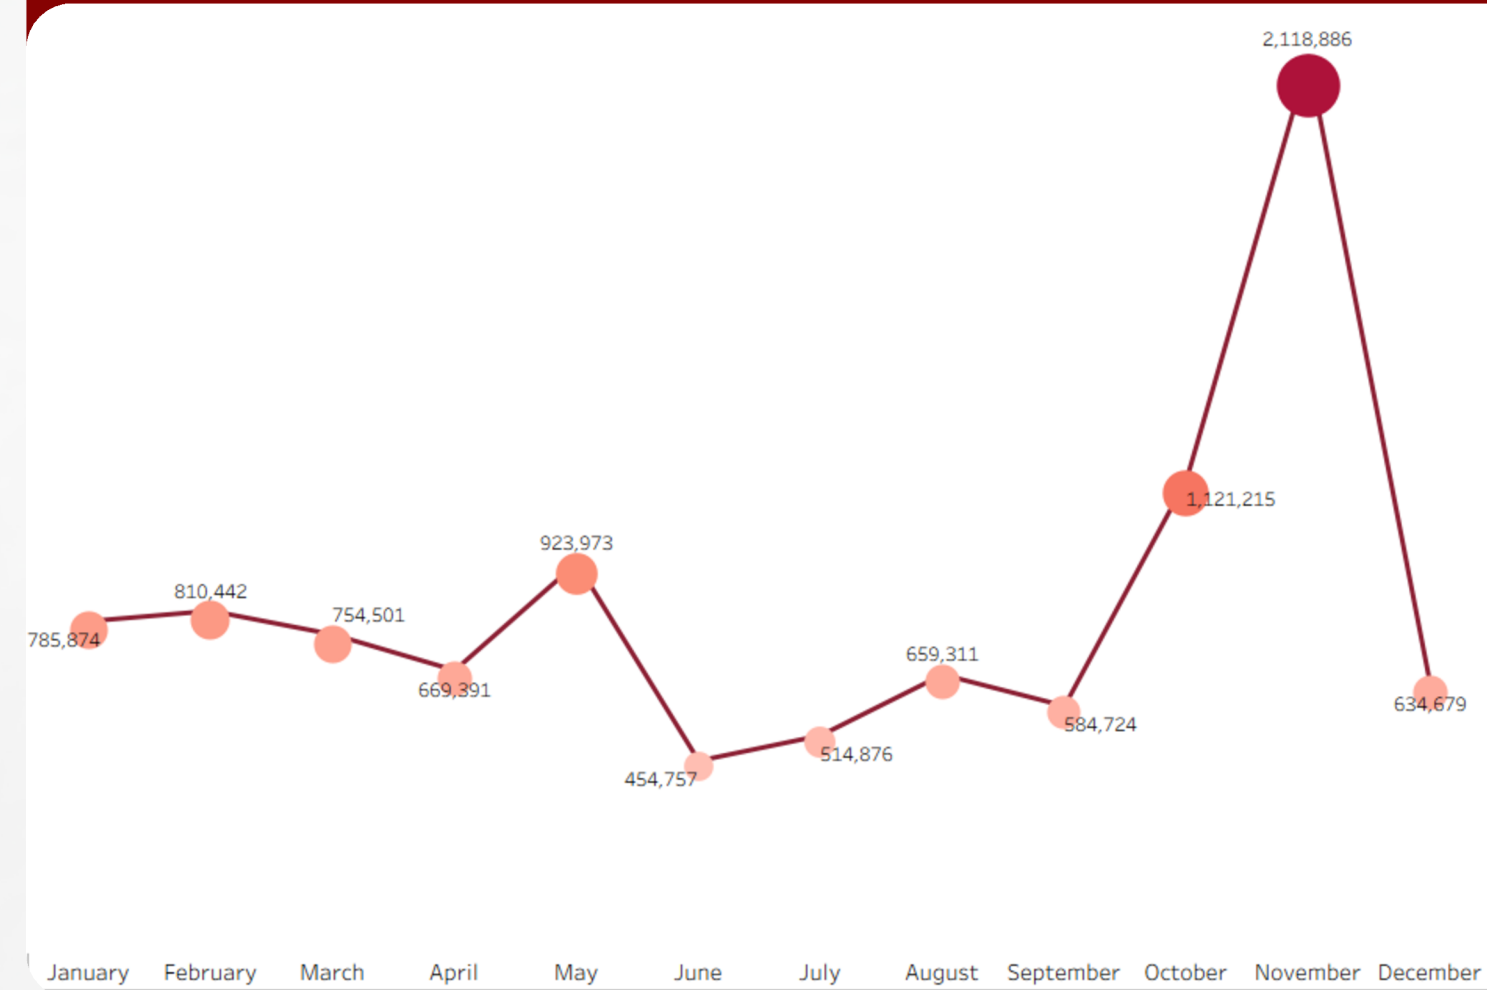

Regional Analysis

- The USA generates the highest sales compared to other regions

Insight: The USA market represents the strongest opportunity for growth

Monthly Sales Trend

- November records the highest sales performance
- Sales show seasonal peaks during specific periods

Insight: Sales are influenced by seasonal demand.

Business Growth Strategy

AOV Growth Strategies

1

1. Upselling to higher-value models or premium versions
2. Offering custom packages (premium or sport options)
3. Providing financing options to increase purchase value
4. Adding services such as warranty, maintenance, and insurance

Revenue Growth Strategies

2

1. Focus on medium deal segment for scalable growth
2. Strengthen relationships with high-value customers (VIP approach)
3. Focus on top-performing products (cars)
4. Expand efforts in high-performing markets (USA)
5. Leverage peak seasons (November) with targeted campaigns

- This analysis shows that revenue growth is driven by high-value products, key markets, and a limited number of top customers.

Conclusion

3

- Focusing on cars, expanding in the USA market, and leveraging peak seasonal demand can significantly increase revenue.
- Increasing average order value through upselling, financing, and value-added services will further support sustainable growth.
